Lifestyle Challenge competition NY Police have again launched the Lifestyle Challenge competition which aims to give young people something to do over the summer holidays and as well as being of benefit to the wider community, it also gives the participants valuable life skills too. We ask young people between the ages of 10 - 17 to get into groups of between 2 and 5 (plus an adult advisor) think up a team name and then think of a community based project they can carry out over the summer holidays. Previous groups have cleaned litter from parks and beaches, held cake sales, done magic shows in local residential homes, created conservation areas in woods and green spaces and lots more. The winning teams are invited to a ceremony at

York Racecourse and the prizes include an adventure holiday. For further information please Visit: www.northyorkshire.police.uk/lifestyle and complete the registration form.

Sun Hats and Cream Throughout the summer term would you please ensure your child has applied sufficient sun cream before school to last throughout the day. The children are often outside during sunny weather and a sun hat in school is required at all times.

Water Bottles Please ensure your child has a water bottle clearly labelled with their name in school at all times. This is to minimise the risk of any infection by children using only their own bottles, an empty drinks bottle would be suitable.

PE Sessions Please ensure your child has their PE kits in school at all times.

Yours sincerely

H Ward
Headteacher
