

15th June 2018

Dear Parents,

Newsletter

Health and Safety Inhalers We have revisited our procedures regarding the use of inhalers and would request that all children carry their own inhaler (in the infant class, the class teacher will help the child to look after the inhaler), and also that parents provide a spare for school. The spares will be kept in the office in a bag for each child and will be collected when children are taken out on trips whether or not the child has their own inhaler. There will also be a spare inhaler in school. All parents will need to sign a form to say that they are happy for their child to use the spare inhaler.

Yorkshire Endeavour Academy Trust(YEAT) Launch Day Well done to the seven children who represented our school and visited the other 4 schools today. They found out lots of information from the pupils at the other YEAT schools and our children were very well behaved. We hope you found the video presentation informative and look forward to your support as we move forward as an academy.

Jack and the Beanstalk Reading Initiative This week's lucky winner of our reading initiative is Eva.

KS2 Visit to Grosmont The Juniors are out on a school trip next Tuesday (19th June). **Please ensure they come to school in their full school uniform as it is school photos this day.** They will then need to bring a **change of clothes** for the trip- tracksuit bottoms and wellies/ trainers. A packed lunch is also required.

Whole School Photograph Tempest photography will be at school on Tuesday 19th at 9.00 am to take the whole school photo along with the Y6 annual photo.

Crucial Crew On Monday afternoon the Y6 children travelled to Scarborough, along with the Y6 children from Castleton & Glaisdale School, to take part in Crucial Crew. They participated in a number of interactive scenarios about keeping safe, how to deal with dangers they may encounter and the role of the emergency services.

MFL and Global Learning Day on Wednesday the Y6 children attended their secondary schools to take part in the Modern Foreign Language day at Eskdale School and the Global Learning Day at Caedmon College as part of their transfer programme. They worked alongside Y6 children from other Esk Valley schools who will be attending Eskdale and Caedmon with them in September.

PE Kit, Sun Hats and Water Bottles Please ensure your child has a sun hat, PE kit and a water bottle in school during the summer term. This is so they are prepared to work outdoors, can have a drink when required and to minimise spread of any infections.

Note: Please ensure your child has the **summer** PE kit. This is a white t-shirt/polo top, black/blue **shorts** and trainers or plimsolls.

Sun Cream Please ensure that children are sent to school with the protection they require. Sun cream should be applied in the morning before they arrive at school.

Wanted: Old newspapers, clean boxes, lids, tubes, yogurt pots, etc. for model making please.

Yours sincerely

H Ward
Headteacher
